I'm assuming when Ann says to "stay in touch with Sarah on Maine" she means Sara Hise1-McCoy....let me know if there are any updates to share on filing from tribe in Maine.

Thanks Christina. Will do.

Can you also stay in touch with Sarah on Maine? We were expecting a filing this week from the tribe opposing our request for a stay and additional time. They thought the court could rule quickly. In fact, the court may have already granted an extension to Maine for their filing....I just haven't seen anything come across my email about it. Thanks.

Three proposed items from OST for Mike's general with Sarah. Let me know if you have questions or need more info.

1. FL Human Health Criteria petition denial: Delegation memos are with AO. Mike should have draft decision letter.

Deliberative Process / Ex. 5

2. WA NWEA aquatic life criteria petition: Can this proceed with delegation memos sent to the AO? Is there still some confusion between this and the one from the dischargers on the human health criteria and their request to withdraw our rule? We need to respond to this NWEA one to avoid court costs, litigation processes, etc. by June 23rd.

3. Iowa Antidegradation follow-up: Deliberative Process / Ex. 5 Any feedback from Sarah?

Folks, this week's general is scheduled for Friday. I'm still working through the agenda in an effort to get to decisions. Please send me any updates to existing topics as well as any additional topics and a few TPS, again, preferably by COB Wednesday but NLT noon Thursday.

Thanks,  
Ann
